#### THE HOMESCHOOLERS' BOOK CLUB

Do you homeschool your children? For a change of pace and a change of scene, take a field trip to the North Haven Library. This year the Library is offering a Homeschoolers' Book Club. It is open to any homeschooled child between the ages of 8 -12. The first session of this informal but educational club will be held Monday, Sept. 26 at 2:30 and will be led by a library staff member. Upon registration, the book of the month will be available for checking out.

Conversation around the story will take place at each meeting and will be followed by a fun, story-related craft. At the end of each session, a seasonally appropriate book will be provided to each participant for discussion at the next month's club meeting.

The Club will also meet on Mondays at 2:30 on Oct. 31, Nov. 28 and Dec 19. Children are welcome to come to all or just some of the Club meetings. Registration is limited and required for each of the 4 programs. Please visit the North Haven Library website at [www.northhavenlibrary.net](http://www.northhavenlibrary.net) to register or call at 203-239-5803 for further information.
